My dear E

I rec'd yours of the 24<sup>th</sup> ult and should have answered it sooner, but have been exceedingly busy of late which has been the greatest hindrance, I rec'd a letter from Leander a few days before yours, and I can't tell you what a load of anxiety it removed from my mind, but still I feel anxious all the time about them. But they are in the hands of God & he will do what is right, you wrote that he had sent you money which you hadn't rec'd, I feel anxious to know if you have got it yet, hope I shall learn soon, It seems very cruel that such a state of things exist. Elmon has sent money too but I don't know if you have got it yet, hope I shall learn soon, It seems very cruel

My dear E

I rec'd yours of the 24<sup>th</sup>

Ult and should have answered it  
sooner, but have been exceedingly busy  
of late which has been the greatest hin-  
-drance, I rec'd a letter from Leander  
a few days before yours, and I cant  
tell you what a load of anxiety it  
removed from my mind, but still I  
feel anxious all the time about them  
But they are in the hands of God &  
he will do what is right, You wrote  
that he ^L had sent you money which  
you had'nt rec'd, I feel anxious to  
know if you have got it yet, hope  
I shall learn soon, It seems very cruel  
that such a state of things exist  
Elmer has sent money lately but  
we have not got it and there is doubts

if it ever does, <sup>come</sup> Now the loss of  
the money doesn't trouble me, as the  
circumstances attending it, I could  
tell <sup>you</sup> all about it but it would take  
too much time, We sent a box to Elmer  
about three weeks giving time but haven't  
heard from him yet, I don't express  
my fears, but if I allowed myself to  
worry and borrow trouble I should be  
apt to now, but my desires are contin-  
ually unto God that all things may  
be overruled for our best good.

I'm very glad to hear that you go  
to meeting so frequently, hope you  
will be benefitted thereby, Dear  
E let me know if you don't think  
an interest in Christ is more to be  
desired than all else beside, O if I  
could know that you and I were stri-  
an interest in Christ is more to be

could know that you and L were stri-  
ving to sereve [severe] God I should feel  
satisfied, O Emily there is a precious

reality in religion notwithstanding  
its professors do ever so often

Sabbath morning 15<sup>th</sup>

I was interrupted ~~in~~ while writing  
and left to finish this morning  
Since writing the above we have recd  
a letter from Elmes saying he hasnt  
recd our box nor a letter for three weeks  
suspects they are intercepted to prevent  
his learning about his money, For one  
I will hope it is not so bad as that  
and hope we shall learn the facts in  
case before long, But I want a re-  
lief it is to my mind to hear that  
he still lives and is well, — I recd  
a letter from Joseph most two weeks  
ago, was well and said they expected  
to leave Manchester in a few weeks  
It is a great comfort to hear from my  
children especially those that have  
ago, was well and said they expected

to leave Manchester in a few weeks  
It is a great comfort to hear from my  
children especially those that have  
gone to this cruel war, and may be

never to return, yet I hope  
to see them all again in this life  
but if not I will continue to pray  
that we may all meet at the right  
hand of God where parting will no  
more come, — You spoke about my  
visiting you this winter, but it looks  
more doubtful every day, yet such  
things do not trouble me as they once  
did for I think my lump of hope  
is quite large, But confidence in  
an allwise overruling hand is my great-  
est quietest — I have written twice  
to Leander hope I shall get another  
from him soon, please tell him when  
you write it will be a great comfort  
to hear from him often, Hope you  
will write often as is convenient that  
I may hear from him through you  
My sheet is full so I must stop  
to hear from him often, Hope you  
will write often as is convenient that
